### February COA Events:

Tuesday, February 13th at 12pm

## *Valentine's Day Lunch*

Town Hall Dining Room

Soup and salads will be served, but if you would like to add something or bring a dessert that would be nice but not necessary. It is the season for Mardi Gras and Valentine's Day, so if you wear some pretty beads or have a red heart on, you will get a little surprise!

At the end of lunch, the Goshen police will speak to us about scams, break-ins and disposing of drugs. If you have any drugs that you should get rid of, bring them with you. They cannot take liquids or needles.

If you or someone you know needs a ride to any of our functions, please call Evelyn or any board member. We would be happy to arrange one for you.

### Monday, February 26th at 10am Coffee Hour

We are hoping that our January coffee hour went well, so we will plan another one on Monday, February 26th at 10am. If anyone has any ideas or would like us to plan something, this is the time to come and join us and discuss it.

**Tuesday, February 27th at 9am.**  
**Foot Care Clinic.** The cost is \$30 at the Town Hall, and \$40 for an in-home visit. Call Liz Loven to make an appointment: 268-7122.

**Our 3rd Friday outing** is still being planned. If you're interested in going with us, let Evelyn know.

### Wednesdays 10am-11am Muscle Strengthening Classes in the Town Hall

Our class is continuing, so come and join us. Now is the time!

THEY ASKED,  
"CAN YOU HOLD PLEASE?"

**Thank you for your donations!**

Our programs are run on town and state funds. They are offered to people over 60 at little or no cost, but donations ensure their survival. **Please consider a tax deductible contribution.** No matter how small or large, it will help. We welcome attendance of any and all people over the age of 60. If you would like to contribute, please fill out the form below, send it with your check made out to Goshen COA and write "program support fund" in the memo line. We thank you for your continuing support! ~ Evelyn Culver

## Outreach in the Hilltowns: Progress to date

By Peg Whalen  
Regional Outreach Coordinator for the  
Northern Hilltowns Consortium of COAs

The Northern Hilltowns Consortium of COAs Service Incentive Grant supports COAs as they expand senior outreach in the hilltowns. We will be reporting outreach progress and the state of outreach in each town. This month we report on Plainfield.

The Plainfield Council on Aging and the town-based Plainfield Cares organization are serving roughly 250 town seniors. The Plainfield Council on Aging has added three board members including two from Plainfield Cares. Plainfield Cares is a volunteer organization created in 2016 and continues into a third year of support for residents. Plainfield COA nutrition outreach continues with Plainfield’s COA luncheon twice a month – the only northern hilltown offering meals and social contacts twice a month.

Plainfield Cares offers short-term/transitional assistance for people returning to town after illness, injury or surgery. Care includes coordinating meals, helping with basic tasks, arranging company, doing pet care, and meeting other time-limited needs. Volunteers also are available to take residents to medical appointments, treatment, and meet other needs for rides. Additionally, the organization supports library use like rides to the library, book return or reading pickup. Outreach includes volunteers calling every senior to talk or meet and arrange delivery of information seniors need for safely ageing-in-place in Plainfield. Several residents have enjoyed conversations with callers and gotten detailed Plainfield-specific information and resource packets. There are enough information packets for seniors of any age.

Packets also are available for viewing at the library.

The COA urges residents to request an information packet, attend lunch, or talk with a volunteer by phone or at a convenient home visit. Even if you don’t need assistance yourself, you can become an informed neighbor or friend able to share information or offer suggestions to people you quietly watch out for or already are helping.

### FY18 Housing Rehab Program

Hilltown CDC will be submitting a grant application for FY18 to continue the Housing Rehab Program for the towns of Chesterfield, Cummington, Goshen, Peru, Plainfield, and Worthington. If you have used the Housing Rehab Program in the past or would like to use it in the future, we’d like to hear from you.

**We welcome your ideas, suggestions, or input about the design of the program and how we could improve the overall effectiveness of our services.** Please call or email your comments no later than February 9, 2018. We look forward to your input. If you’re interested in applying for the Housing Rehab Program, please be sure to request an application when calling or emailing.

Contact Paula Bilodeau, Program Manager, at (413) 296-4536, ext. 123 or email paulab@hilltowncdc.org for more information or an application to the program.

*Funding is provided by the US Dept. of HUD/DHCD and MA CDBG Programs.*

### ***Surely I don’t really need to check...***

Here is one more credit report note, then I promise I’ll change topics. For a while.

I’ve had a couple people ask if they really need to check their credit report if they don’t use a credit card or they aren’t going to make a big purchase. Short answer – yup.

Long answers – A credit report may contain items other than credit cards such as some debit or gas cards, mortgages, car loans, medical accounts, telephone plans, public records, and who is accessing your report. Keeping up with your credit reports can help you avoid identity theft, assure a family member hasn’t messed you up, fix errors, and learn how to improve your credit score. With a better score, you may be able to get or negotiate lower rates (insurance, loans, rentals) or get a higher credit limit to help fund a small business.

Here’s a shocker: if a thief gets ahold of your identity and charges his family’s phone plan to it, or her medical bills, it won’t be him or her who has to straighten out the mess. The mess can be straightened out, but the process is not something you will enjoy doing.

Another shocker – long ago, when I was learning how to be an adult, there was no need to know about credit reports and scores! Life is different now. As always, if what I write can help you help someone else, feel free to use these notes.

Cheers,

## Become a VITA Volunteer!

### Volunteer Income Tax Assistance (VITA) program

The Hilltown CDC is partnering with the Berkshire County United Way to bring VITA to the Hilltowns of Western Massachusetts, and is seeking volunteers to help low-to-moderate income individuals in preparing tax returns.

VITA offers FREE basic tax return preparation by IRS-certified individuals, with electronic filing to qualified households that make \$54,000 or less. By volunteering for just a few hours a week from early February to mid April, you could help to provide THOUSANDS OF DOLLARS in benefits for working, income-eligible individuals and families in Western Massachusetts. The VITA Program offers **free tax help** to income eligible individuals to build assets and gain access to financial resources that will enrich their lives.

**No experience necessary** – All volunteers will receive training and materials appropriate for their position. Specific training dates will take place beginning in January of 2018. **No risk**- Volunteers are

covered under the Volunteer Protection Act and are not accountable for tax returns filed to the IRS.

### Volunteer Positions available:

- **Greeters**

As a Greeter, you will create a welcoming atmosphere at VITA sites while also helping to check in families and individuals accessing VITA services. While tax training is not required for greeters, a positive attitude is critical to being effective in this important role.

- **Tax Preparers**

Are you good with numbers, computers, and forms? Tax preparers work with filers to prepare their federal and state income tax returns. Volunteers receive free, in-depth training and must pass an IRS certification test.

Helping with the VITA program can be rewarding while serving a vital role in our community. To find out more, please leave a message for Program Coordinator Assistant, Lisa Westervelt, at the Hilltown CDC at 413-296-4536, extension 100, or email at [LisaW@hilltownCDC.org](mailto:LisaW@hilltownCDC.org)

Need a Ramp?**

*Easthampton Council on Aging  
19 Union St. Easthampton*

Do you need a ramp to get in and out of your home? Do you know someone who does? For many, the expense and effort of hiring a contractor are daunting. Stavros's Home Sweet Home program is designed to help seniors and people with limited mobility have ramps installed. Home Sweet Home program staff assess needs, provide help with financing, and oversee installation. Come to the Easthampton Council on Aging to hear a presentation by Home Sweet Home program director Lois Brown, who will talk about the best way to contact her program, financing options, and more, with time for questions afterwards. **RSVP: 413-527-6151.**

**Sun. Feb 18th at 2pm  
Contemplating Common Creatures  
by Fran Ryan**  
*Chesterfield Comm. Center, 400 Main Rd.  
Chesterfield, MA*

In this Horizon Production presentation, environmental educator, Fran Ryan, will reveal the secret lives of the Eastern chipmunk, the Eastern gray squirrel and the meadow vole. We will discuss their characteristics, behaviors, lifecycles and shed some light on these creatures with whom we share our world.

While many of us know a little something about those "charismatic species," like bears, big cats, wolves and whales - the big stars of the wild kingdom- these little guys just don't get a lot of press. Their stories, however, are just as fascinating.

Come and get a peek into the lives of these interesting furry neighbors and see what makes them tick, and how best to live happily along side them.

*Funded in part by a multigenerational grant awarded by Highland Valley Elder Services to the Chesterfield COA, which coordinates these programs in partnership with: the Westhampton COA, Chesterfield Public Library, CFCEs of Westhampton and Chesterfield, Davenport Childcare, and New Hingham PTO.*
