February Luncheon

Wednesday, February 12th at Noon
Town Hall

We will be serving pork roast, potatoes, veggies, rolls and dessert. Other desserts are welcome. A nurse from the Health Department in Northampton, Kelly Hughes, will be on hand for a blood pressure clinic and will inform us on the importance of "The File of Life" and "Winter Safety Tips".

Sound Therapy sessions continue February 5th and 19th at 1:30 pm. The venue is yet to be determined. You will be informed of the location when you make the reservation. Sound therapy is the use of specific instruments, tones and vibrations to balance and heal the body, mind and spirit. This creates nervous system rebalancing, deep rest, and emotional release. Jennifer O'Connell will be playing harmonic quartz crystal bowls along with chimes at this event. Bring a blanket and pillow to rest on the floor while the event takes place. Each session can accommodate 12 reservations. Call or email Polly to secure a spot at **413-212-1581** or pryan@town.plainfield.ma.us. Donations welcome, otherwise it's FREE!

Tai Chi classes are no longer available at the Cummington Community House.

Would you like to learn line dancing instead? Join us **February 21st at 4pm** in Town Hall where we'll follow YouTube instructional videos and learn how to do these dances together. If there is interest in more regular classes (on different days and times?) let Polly know at pryan@town.plainfield.ma.us

Interested in learning about new findings around dementia? Kathy Service from the Northampton Health Department will give a presentation on the latest memory loss research on **Saturday February 22nd at 12:30pm in Town Hall**. Join us for new insights, coffee and cookies.

Sanderson Academy is inviting our COA community to a student concert & lunch on February 10th at 10:45. The concert begins at 11:00 and lunch will be served at 11:30. Please let Denise Sessions know if you would like to join in the event by calling **413-268-4404**.

The classes are free and ongoing. Classes are also scheduled at the same location on **Mondays and Thursday at 9:30am**.

Living Fully, Aging Gracefully, Befriending Death. The Living Fully group is welcoming new participants. They meet monthly, on the second Tuesday at 1pm, on zoom, to share conversation and support. HVES – Good to Know!

If you don't know about Highland Valley Elder Services (HVES), let me tell you a little bit about them. One of their many programs is Money Management; I have volunteered there for several years and can recommend it.

Here's the deal. The first level of their program sets up assistance for elders who are still able to make financial decisions, but might be having some difficulty dealing with their budget, check book, mail, or bank accounts. A second level of the program has HVES provide supervision of individuals who are unable to manage their own financial affairs. An employee of HVES is appointed to manage participant's government benefits and is responsible for writing and signing checks.

What I do for people in the program at the first level is help sort their mail, write out checks for them to sign, and monitor their bank balances. If needed I will talk to their bank about a problem, and help them access HVES for help with fuel assistance, medical insurance, and other such needs. I'll make sure their credit report has been checked for errors and try to help them avoid scams. It's all designed to make their financial life a bit easier.

For all their programs, check out HVES online at highlandvalley.org/our-services/ or call 413-586-2000 ext. 113. Call me if you have questions about volunteering in the Money Management program.

Seniors Aware of Fire Education

Open Burning Season began on January 15th and will end on May 1st. You will need a permit from your town's Fire Department, which are given on days when it is safe to burn. It is not safe to burn on windy days or on "red flag" days. The Department of Fire Services recommends the following safe open burning practices:

Senior 
SAFE

- The fire area should be at least 75 feet from any dwelling.
- You can only burn from 10am until 4pm.
- You can burn brush, cane, forest debris, and pruning.
- You cannot burn grass, hay, leaves, stumps, tires or construction material and debris.
- An adult should always be present during the burn.
- Keep children and pets a safe distance from the fire.
- Start the fire with paper and kindling. Never use gasoline or any other flammable liquid.
- Build one small fire at a time and slowly add to it.
- Have fire control tools at hand — shovels, rakes and a pretested water supply.
- Be prepared to extinguish the fire if the wind picks up or the fire weather changes, before the town calls you to put it out.
- The safest time of the year is when the ground is wet, frozen or snowy. There are a whole lot of Red Flag days in April during which open burning is not allowed.
- Be aware that the fire towers are staffed during open burning season and they are quick to identify and call in unsafe burns.
- If the fire begins to get out of hand, immediately call 911 and have the Fire Department handle it before it gets to any buildings or woods.

Have an early and SAFE open burning season!

The Senior SAFE program is sponsored by many of your fire departments and the MA Dept. of Fire Services.

Good News for February 2025

It's that time of year when we begin to gather up tax documents, just like 140 million other tax payers. You might add some additional documents for your MA tax return. Massachusetts is one of 25 States to offer the Circuit Breaker Tax refund designed to help low income home owners. **This year the MA Circuit Breaker maximum benefit has increased to \$2,730... so it's worth taking the time to figure out if you are eligible!**

The Circuit Breaker benefit was 'invented' back in the late 1960s. Massachusetts began offering in it the mid-1990s. Now the program has grown to 25 States plus the District of Columbia. Here in New England- Maine, Vermont, and Connecticut- have Circuit Breaker programs. Programs vary from State to State, but all offer a tax refund to seniors who are low income home owners.

To be eligible:

1. You need to be a Massachusetts resident, meaning your primary residence is here, in MA.
2. You need to be 65 or older.
3. Your property tax needs to be more than 10% of your income. EXAMPLE: property tax is \$5,200, income would need to be less than \$52,000/year.
4. You can file for Circuit Breaker in any year(s) that at least one homeowner in the household was 65 or older by December 31st.
5. Your income must be less than \$72,000 single, or \$109,000 married filing jointly. (Each year this income figure changes/increases for cost of living.)
6. Your property cannot be worth more than \$1,172,000 (this figure also increases each year)

To apply:

1. You file a Massachusetts income tax (whether or not you have taxable income) and include a Schedule CB with your tax return.
2. You will need to provide proof of property tax paid. Usually a copy of your property tax bill is sufficient, but they can ask to see cancelled checks to prove payment. (You need to be current with your property tax payments)
3. You can also count 1/2 of your water/sewer bill(s) in which case you would need to include copies of those bills
4. You need to provide income information which includes: taxable income like social security, pension, employment. Gross, not net income. (Circuit breaker does not count one time income like life insurance payments, inheritance, property sale.)
